

Homemade Chicken Salad

Here's a quick and easy spring and summer pleaser. When I make this recipe, folks can't believe it is actually made with canned chicken breast. Sometimes I simply place the chicken salad over a bed of greens. Sometimes I make those pretty little mini pastries. But most of the time, this chicken salad goes on Sister Shubert's yeast rolls!

- 2 10 oz cans chicken breast (organic or Swanson) drained
- ½ cup Hellman's mayo
- 2 celery stalks finely diced
- 1 cup grape halves
- 1 cup pecan pieces
- 1 teaspoon celery seed
- Salt and pepper to taste

In a medium bowl add drained chicken and flake with fork to separate. Add mayo, celery, grape halves, pecans, celery seed, salt, and pepper. Mix well. Refrigerate until ready to serve. This salad does not last very long at our house!
